

**N female to Reverse polarity SMA Female, VSWR 6ghz, 50 ohm | 123-NFSMAFRP | 123e.com**

Part Number: 123-NFSMAFRP

N female to SMA female Reverse polarity RF adapters are used to either change the gender from one connector type to another, to mate different connector types together, or as disposable interfaces for test and measurement applications where main launch cables need protection from wear and tear. 123eWireless RF adapters are designed for low loss with maximum mating cycles without degradation.

## PHYSICAL SPECIFICATIONS

|             |          |
|-------------|----------|
| Connector A | N Female |
| Connector B | N SMA    |

## ELECTRICAL SPECIFICATIONS

|                 |                               |
|-----------------|-------------------------------|
| Frequency Range | DC-6GHz                       |
| Impedance       | 50 ohm                        |
| PIM             | ≤160dBc                       |
| VSWR            | ≤1.15 @3GHz, ≤1.25 @3GHz-6GHz |

## ENVIRONMENTAL SPECIFICATIONS

|                       |                 |
|-----------------------|-----------------|
| Operating Temperature | -40°C to +155°C |
| RoHS Compliance       | Yes             |
