

N Male Compression Connector for 1/2" Flexible cable | 123-1NM-C | 123e.com
Part Number: 123-1NM-C

N Male Compression connectors are the easiest connectors to install in the field. Simply strip the 1/2" Flexible cable push the connector onto the cable and with the RIGID tool Compress into place. Compression Connectors by 123eWireless are designed for LOW PIM applications of <-160 (2*43dBm)

CROSS REFERENCE

Alternative To HL4RP-50A, HL4RPV-50

PHYSICAL SPECIFICATIONS

Options Compression
Connector A N Type
Gender MALE

ELECTRICAL SPECIFICATIONS

Frequency Range DC-3GHz
Impedance 50 Omhs
Insertion Loss ≤ 0.05
PIM <-160
VSWR ≤ 1.10

ENVIRONMENTAL SPECIFICATIONS

Operating Temperature -40 ~+85 °C °C
Weather Standard IP67
