

4.3-10 Male 25 Watt RF Load Terminator, Low PIM | 123-HMT25-P | 123e.com
Part Number: 123-HMT25-P

4.3-10 Male 25 Watt RF Load Terminator.

- Low Pass Intermodulation -161dBc
- Low VSWR
- Low Attenuation Accuracy
- 2G/3G Coverage

CROSS REFERENCE

Alternative To	TK-225ME
----------------	----------

PHYSICAL SPECIFICATIONS

Connector A	4.3-10
-------------	--------

Gender	Male
--------	------

ELECTRICAL SPECIFICATIONS

Average Power	25 Watts
---------------	----------

Frequency Range	350-2700MHz
-----------------	-------------

Impedance	50 ohm
-----------	--------

PIM	$\leq -161\text{dBc}@2*43\text{dBm}$
-----	--------------------------------------

VSWR	≤ 1.30
------	-------------

ENVIRONMENTAL SPECIFICATIONS

Operating Temperature	-35C to +65
-----------------------	-------------
